

SWITCH TO PARK BANK

Thank you for your decision to switch and welcome to Park Bank. As a customer of Park Bank, you'll have our commitment that we'll do our very best to understand your financial needs and that we'll work hard to meet those needs today and in the years to come.

Here are some simple suggestions to help make your move to Park Bank quick and easy.

Step 1: Open a Park Bank checking account.

One of our knowledgeable and experienced bankers will help you choose a Park Bank checking account that is right for you.

Step 2: Add the security and convenience of Direct Deposit to your Park Bank checking account.

For Payroll Direct Deposit, simply complete the "Authorization For Direct Deposit to Park Bank" form that is page 2 of this kit. In addition to this form, be sure to provide your employer with a voided Park Bank check and remember to verify with your employer as to when your direct deposit will begin.

For Social Security Direct Deposit, call the Social Security Administration at 1-800-772-1213 and make your request directly over the phone. Be sure to have your new Park Bank checks with you when you call.

Step 3: Remember to change any automatic payments you may have from your old account to your new Park Bank checking account.

If you now have recurring automatic deductions or payments, be sure to provide your new Park Bank checking account number to your payees. An "Authorization To Change Automatic Payments" form is page 3 of this kit. Simply make copies of this form if you have more automatic payments.

You can also stop your automatic payments and set-up recurring payments within Park Bank's Online Bill Payment. You can make one-time or recurring payments. You just need to be a registered Park Bank Online Banking user in order to register for Online Bill Payment. To register for Online Banking and Bill Payment, visit www.parkbankonline.com/electronicsservices.

Step 4: Close your old account.

Once all the checks you have written and any other payments have cleared your account, it is time to close that account. Page 4 of this kit is the "Authorization and Request To Close My Account". Simply complete this form and send it to your old bank.

Once again, welcome to Park Bank. We look forward to serving your financial needs in the years ahead. If you have any questions, please call us at 414-466-8000.
